Dear Applicant:

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Donors can deduct contributions they make to you under IRC Section 170. You're also qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. This letter could help resolve questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC Section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a public charity under the IRC Section listed at the top of this letter.

If we indicated at the top of this letter that you're required to file Form 990/990-EZ/990-N, our records show you're required to file an annual information return (Form 990 or Form 990-EZ) or electronic notice (Form 990-N, the e-Postcard). If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

For important information about your responsibilities as a tax-exempt organization, go to www.irs.gov/charities. Enter "4221-PC" in the search bar to view Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, which describes your recordkeeping, reporting, and disclosure requirements.

Re: "Project Title"

To Whom It My Concern:

Walk 'n Rollers is build a video library focused on bicycle and pedestrian safety called "Safe Travels". Most bicycle and pedestrian education videos are adult-oriented and not very engaging to students. The videos will be kid-focused, creative and informative. They will be shot from a kids perspective to remove the mystique around the topics.

This project is grant funded by Southern California Association of Governments (SCAG) which will jump start our video library allowing for production of up to three videos to develop a new generation of kid-friendly content. Top priorities for titles will be Helmet Safety, ABC Quick Check and Pedestrian Safety. Other potential titles to follow as funding allows may include Rules of the Road, Transit Use and Safety, Basic Bike Repair and The Value of Active Transportation.

The videos will be posted online and accessible to the general public. We intend to use our online database of schools and families throughout LA and neighboring Counties for outreach through our website, social media channels and YouTube. Additionally, LACBC and Bikerowave will provide access to their databases and social media platforms to help extend the outreach capabilities. We also expect to leverage our contacts with other organizations throughout the region to share the videos on their various outreach platforms to engage and reach as many families as possible. There is potential to reach 50,000 students throughout the region.

Any fees waived and/or reduced for this project by FilmL.A. on behalf of Los Angeles will result in an equivalent reduction in cost to "Non-Profit Company".
